

# DUO 250+ LUMEN HEAD LAMP

**This headlamp is the perfect hands-free light for working, hiking, camping and more!** The NEBO® DUO Headlamp is an all-powerful, hands-free lighting solution. A push button allows you to easily cycle through the four light modes: LED Spot Light, C•O•B Flood Light, RED C•O•B steady and RED beacon mode. The red LED is a low-signature light, which ensures stealth in the dark, enhances night vision and makes reading in little to no light possible.
